

2010 AGNES FAY MORGAN RESEARCH AWARD

Criteria - Annual Award

This annual award is given for research achievement in chemistry or biochemistry, and the specific research for which the candidate is named must be designated by the nominators. The nominee must be a woman chemist or biochemist not over forty years of age at the time of her nomination. The nominee may be, but need not be, a member of Iota Sigma Pi.

Conditions

Each active chapter shall be entitled to make one nomination, but individual members or chemists or groups of chemists may make independent nominations, if properly documented.

Dossier

The nomination dossier must contain:

- a cover page (attached)
- a biography of the candidate, including date of birth
- a description of research achievement, indicating the specific research for which the candidate is being nominated, and the significance of the research
- a list of publications
- letters of recommendation from nominator and seconder

Nominations should be sent as soon as possible. The final date for receiving any nominations is February 15, 2010.

The recipient will be selected by the Professional Awards Committee and notified by April 15, 2010. The award shall consist of \$500, a certificate, and membership in Iota Sigma Pi with a waiver of dues for one year.

The award certificate will be presented at the Iota Sigma Pi Triennial Convention in 2011. The award recipient is expected to participate in the Convention, attend the Awards Banquet and present a summary of her work at the National Convention. In rare cases, exceptions may be made at the discretion of the Director for Professional Awards and the President of Iota Sigma Pi.
