

## **2011 VIOLET DILLER AWARD FOR PROFESSIONAL EXCELLENCE**

### **Criteria - Triennial Award**

The award is for outstanding contribution to chemistry and allied fields by a woman. Nominees will be judged on the significance of their accomplishments in academic, governmental, or industrial chemistry, in education, in administration, or in a combination of these areas. Achievements may include innovation design, development, application, or promotion of a principle or practice which has widespread significance to the scientific community or society on a national level. The nominee may be, but need not be, a member of Iota Sigma Pi.

### **Conditions**

Each active chapter shall be entitled to make one nomination, but individual members or chemists or groups of chemists may make independent nominations, if properly documented.

### **Dossier**

The nomination dossier must contain:

- a cover page
- a biography of the candidate, emphasizing all significant contributions to chemistry and allied fields (refer to the above criteria)
- letters of recommendation from nominator and seconder

Nominations should be sent as soon as possible. The final date for receiving any nominations is February 15, 2011.

The recipient will be selected by the Professional Awards Committee and notified by April 15, 2011. The award shall consist of \$1000, a certificate, and membership in Iota Sigma Pi with a lifetime waiver of dues.

The award certificate will be presented at the Iota Sigma Pi Triennial Convention in 2011. The award recipient is expected to attend the Awards Banquet and to present a summary of her work at the National Convention. In rare cases, exceptions may be made at the discretion of the Director for Professional Awards and the President of Iota Sigma Pi.
