

CHEMISTRY

Instructor, one year full-time temporary position starting in August, 2010. A Ph.D. is preferred and the successful candidate will have a commitment to undergraduate education. Responsibilities will include teaching general chemistry lecture and laboratory with the possibility of teaching a specialized course in the field of expertise. Prior teaching experience is preferred, but recent graduates are also encouraged to apply.

Send a letter of application, current vita, copies of transcripts, and the names and contact information of three references to Dr. H. Francis Webster, Search Committee Chair, Department of Chemistry, Box 6949, Radford University, Radford, VA 24142. Consideration of applicants will begin immediately and will continue until position is filled. Radford University is a co-educational, comprehensive, state supported institution with an emphasis on teaching in southwestern Virginia, 40 miles from Roanoke, with an enrollment of approximately 9,300 students.

Radford University is an EO/AA employer committed to diversity.
